# HD DECK® 150

A Composite Prime Product

HD Deck® 150 utilises wood-plastic composite technology for a superior deck that's a low maintenance and durable alternative to traditional timber decking.

The deck is made from **FSC® 100% hardwood flour** and **recycled plastic** which combine to produce a high quality finished product that outperforms traditional treated timber.

## Low Maintenance & Long Life

- Will not rot or decay
- Will not warp, bend or splinter
- Requires no staining, treating or painting

## Socially Responsible & Friendly to the Environment

- FSC® 100% certified timber
- Recycled plastics
- Over 280 plastic milk bottles used per square metre

## Safe & Child Friendly

- Barefoot safe
- Slip resistant
- Free from hazardous substances
