Natural Wood Grain Composite Decking

HD DECK®

A Composite Prime Product

HD Deck® Dual is our most natural looking wood plastic composite deck. With its 'capped' design creating a protective layer that offers **maximum protection** against stains and the elements for an extra long life. HD Deck® Dual takes composite decking to the next level.

HD Deck® Dual is made from **FSC® 100% hardwood flour** and **recycled plastic** which combine to produce a high quality finished product that outperforms traditional treated timber.

Low Maintenance & Long Life

- Will not rot or decay
- Will not warp, bend or splinter
- Requires no staining, treating or painting

Socially Responsible & Friendly to the Environment

- FSC® 100% certified timber
- Recycled plastics
- Over 280 plastic milk bottles used per square metre

Safe & Child Friendly

- Barefoot safe
- Slip resistant
- Free from hazardous substances
