

EDGE™

Glass Balustrade

EDGE™ Glass Balustrade is designed with simplicity in mind to create a modern and polished finish to your outdoor space. Customise with a aluminium handrail or choose a clean handrail-free design*.

- **10mm toughened clear glass panels**
- **Quick, safe & easy installation**
- **CMS MARK compliance to classification EN12150**
- **Polished edges and dubbed corners**
- **Complies with building regulations**
- **100% recyclable**
- **Fully reinforced**

***For decks over 600mm high** please seek professional advice regarding current balustrade building regulations as Edge™ Glass Balustrade will require a handrail.
