# HD CLAD<sup>®</sup> PRO

A Composite Prime Product

HD Clad<sup>®</sup> Pro provides a low maintenance, durable alternative to traditional timber cladding that is available in a range of natural colours.

The invisible clip fixings and colour matched trims allow for a straight forward installation which will transform the exterior of residential and commercial properties.

HD Clad<sup>®</sup> Pro composite cladding exclusively uses FSC<sup>®</sup> 100% certified hardwood flour and recycled plastic which combine to produce a high quality product that outperforms traditional timber.
