

Redux™

CLADDING

Luxury solid Board & Batten
Composite Cladding with an
ultra-realistic, enhanced
woodgrain.

Luxury solid Board & Batten
Composite Cladding with an
 ultra-realistic, enhanced
 woodgrain.

Born from a passionate pursuit of enhancing outdoor spaces.

Redux™ Cladding is produced using over 50 metres of unique woodgrain which provides an ultra realistic timber appearance, this results in over 20 board variations & are

hand-finished in three naturally aesthetic colourways. Combined with our Redux® decking, the creation of cohesive spaces is easier than ever, with a face fix screw technology for fast installation without the need for clips or pre-drilling.

- 
FACEFIX TECHNOLOGY
 Redux Cladding is installed directly through the face of the board.
- 
UNIQUE GRAINS
 Over 50 metres of unique woodgrain provides an ultra realistic appearance.
- 
ZERO TIMBER CONTENT
 Contains no timber meaning Redux Cladding is highly resistant to moisture.

- 
RECYCLED MATERIALS
 It provides a sustainable, durable solution for outdoor spaces.
- 
LOW MAINTENANCE
 Redux Cladding offering lasting performance with minimal upkeep.
- 
SLIM PROFILE
 Redux Cladding offers a slim profile to maintain space within your project.

FAQ's

IS REDUX A STANDARD COMPOSITE CLADDING?

Unlike alternative Composite Cladding products Redux Cladding showcases a natural timber aesthetic without the need for clips or pre-drilling to install.

HOW MANY CLADDING BOARDS DO I NEED?

We recommend 1.6 boards per m2, with 10% added for details, cuts and design.

IS REDUX CLADDING EASY TO FIT?

We recommend using a competent installer, like our Prime Accredited installers, for your project and we can provide you with an in-depth installation guide.

IS REDUX CLADDING MAINTENANCE FREE?

Redux Cladding, much like all of our Premium ranges, is a low maintenance product and only requires periodically cleaning.

HOW DO I GET A QUOTE?

Our team at Composite Prime offer a quick turnaround on quotations for your project, call us on 01134262770

HOW DURABLE IS REDUX CLADDING?

Redux Cladding is highly durable and has been manufactured from recycled materials to ensure sustainability as well as durability.
