

# EDGE™

## Glass Balustrade

**EDGE™ Glass Balustrade** is designed with simplicity in mind to create a modern and polished finish to your outdoor space. Customise with a aluminium handrail or choose a clean handrail-free design\*.

- 10mm toughened clear glass panels
- Quick, safe & easy installation
- CMS MARK compliance to classification EN12150
- Polished edges and dubbed corners
- Complies with building regulations
- 100% recyclable
- Fully reinforced

**\*For decks over 600mm high** please seek professional advice regarding current balustrade building regulations as Edge™ Glass Balustrade will require a handrail.
